**YOU** see, men and women, the time's at hand when every table, shelf and every other corner of this store must be cleaned out to make room for the incoming spring stock, but **THIS IS NOT THE ONLY REASON** why we inaugurate the Season-End Sale. Of course we must have the room, and **WE MUST HAVE MONEY TOO** with which to pay for this spring stock. There's only one thing for us to do to get it, and at the same time make room—this is to make a bid for **YOUR CASH**. To make a man part with his cash, we realize that we must offer him values, better values than anyone else is doing. The Season-End Sale does this! It does so because it not only offers at less than half price its entire regular line of winter clothing for men, women and children, but to this is added a collection of nearly three hundred manufacturer's sample spring suits for men and women at precisely the same enormous reductions as are made on the winter apparel.
